See how He conquers each fear
See how He always is near
See how His hand wipes away every tear

[A2]
See how He answers prayer
See how He always is there
See how His love is beyond compare

[B] | Am7 | G/B | C/F | C | Am7 | G/B | CM7 | D4 |
So go running just as fast as you can
Into the darkness toward the light of man
There's a sunrise He's prepared for you
A season of spring to revive and renew

[A3]
See how He comforts each pain
See how He never will wane
See how His word always will sustain
