Arrangement: **A1, B, A2, B, C, A3, B...**

[A1] | G, G6 | GM7 | Em7, Em | Em^{add9} | CM7, C6 | CM7 | G | G |

All things were created by You for You
Heaven itself was created by You for You
[I am] linked by the spirit, needing a place to dwell
All angels were created by You for You
Not merely to admire and adore, but to serve You
They delight to praise and worship You

[B] || G | G | Em | Em | C | C | G | G |

Surely, You are God! [3x]

[A2]

The world was created by You for You
Hill, valley, fountain and foaming sea
Where You lived, labored, suffered, and where You died
We were created by You for You
Members of Your body, Your flesh, Your bones
Your life is our life, and ours is Yours, forevermore

[C] | Em | Em | G | G | Am7 | Am7 | C | **1. C :|| 2. D |**

To live to You, is to live as I ought to live. I lay myself out for You
All my time, all my strength, and all my means, for You and You alone

[A3]

The print of Your pierced hand upon all things
The city of pure gold, the gates of pearl
All heaven rings with the praises of Your name
Each harp of gold, each palm of victory
Each song of adoration, each shout of victory
All heaven rings with the praises of Your name

O, that I may behold Your glory
