### Jon and Lynn

Vocal Bass

Jon Burr, bass/Lynn Stein, vocal

Vocal/bass duo? Amazing!

Jon and Lynn perform soulful re-inventions that express the essence of the American Songbook, 60's Pop and contemporary jazz. Jon Burr, acoustic bass virtuoso, has worked with Tony Bennett, Chet Baker, Stephane Grappelli, Barbara Cook and others. Artist/curator Lynn Stein returns to her musical roots as a vocalist.

*Now you might think that a vocal and string bass duo would sound a bit thin, but let me assure you, it's not at all. This is one of the most musical renditions I've come across in years and I've found myself not only returning to it time and time again, but also recommending it to friends. It's beautiful. What a delight!*

- William Duckworth, Composer

*Jon Burr and Lynn Stein of Jon & Lynn are a jazz/pop duo from the NYC area that combine the distinctive sound of the upright bass and voice into a mesmerizing combo that makes you think that there's a big band playing instead of just the two of them...*
