

Directions to Casa Musa

From Alicante (El Altet) airport:

Follow signs to Benidorm / Alicante / Valencia. After approx. 8.5 km. you go on the motorway (E15 / A70). Stay here - that is, drive straight ahead - and do not turn off, although you see signs with exit to Valencia. After you have driven 29 km since you left the airport the paying motorway begins (AP7), Take a ticket here. After a total of 61 km you take the 2nd exit in Benidorm (It is exit 65 and *not* 65A which comes first). Pay 3.20 Euros and immediately after the payment facility drive towards Callosa / La Nucua. Follow signs to Callosa d'en Sarrià. Count the roundabouts. At the 9th roundabout (with a "brush-fountain") you take the 3rd exit to Benimantel / Guadalest. Now you drive 7 km straight ahead through roundabouts and up the mountain. Almost at the top of the mountain you turn right towards Casa Musa (white sign). Drive 2 km. down the mountain where you turn sharp right, at another white Casa Musa sign. Drive 1 km straight ahead and you come to Casa Musa. Drive carefully on that last gravel road which is uneven in many places. All cars can run here, but hold the speed down and avoid the worst bumps. You have now driven 75 kilometers. Welcome to Casa Musa!
