## From Valencia (Manises) Airport:

Follow signs to Alicante. After approx. 25 km. it is very important that you go on the pay motorway along the coast (E15 / AP7). Do NOT go on the A7 motorway which also goes to Alicante, but on a route into the country and not along the coast. After you have driven 35 km since you left the airport, the pay motorway begins (AP7). Take a ticket here. After a total of 134 km you drive off at exit 64 towards Altea / Callosa d'en Sarrià. Pay 10.20 Euros and after the payment facility drive left towards Callosa d'en Sarrià. After 8 km you come to Callosa d'en Sarrià and at the only roundabout in the village you go towards Castell de Guadalest. Drive about 5 km straight ahead and you will find Restaurante Riu on your left hand just before you go over a small bridge. Immediately after the bridge you drive left towards Casa Musa (white sign). Drive 1 km. up through the forest and mountain where you turn sharp left at the top. After a few hundred meters you drive left at another white Casa Musa sign. Drive 1 km straight ahead and you come to Casa Musa. Drive carefully on that last gravel road which is uneven in many places. All cars can run here, but hold the speed down and avoid the worst bumps. You have now driven 150 kilometers. Welcome to Casa Musa!
